

# FIRST BAPTIST CHURCH

January 28, 2010

Dear Life Group Friends,

The Life Group materials for next week are now ready for you. Pastor Glen will be preaching on Luke 8:22-38, which emphasizes the power and authority of Jesus. It's a great study, and I know you'll enjoy it. The audio study helps this week are two messages by John MacArthur on the healing of the Gerasene demoniac. MacArthur calls it "A Maniac Turned Missionary." It's a fascinating study full of great insights. Finally, let me mention that the coaching tip this week is an excellent article designed to give you a few new skills that will help your members open up and share more honestly. Enjoy both your preparation and your study. We are praying for you!
