

FIRST BAPTIST CHURCH

Dear Life Group Leaders,

We're continuing to focus on love this week – that's our ongoing theme in 1 Corinthians 13:4-11. To stimulate your thinking and help you prepare for this week's discussion, listen to Pastor John MacArthur's message on the passage. It's terrific. You'll find the coaching tip helpful as well. The icebreaker asks your group members to pick from a list the most difficult words for them to say and why. But it's the short article you'll like the best. It provides excellent counsel on how to discuss sensitive topics in a group meeting. The title is catchy – "Small Group Elephants." Enjoy it and your small group meeting this week. We appreciate you and are praying for God to bless, direct, and fill you with the love and joy of His Spirit.
