

# FIRST BAPTIST CHURCH

February 11, 2010

Dear Life Group Leaders,

Here are the materials for your next Life Group lesson. You'll notice that the passage provides an opportunity for you to talk about our purpose as a church - the process of becoming and making disciples of Jesus. The passage focuses on Jesus' instructions to the 12 apostles as He sends them out to preach the good news that the Kingdom of God has come to earth in the Person of His Son Jesus. Take time to think about the instructions Jesus gave the 12 and how they apply to us today.

The coaching tip focuses on the same purpose. How to use your small group as a disciple-making center. Please take time to think about the principles it presents and how to relate them to your own small group. The message by Dr. John MacArthur will also provides you with insights both about the passage you're studying and about discipleship in general. I know you'll find it helpful and encouragement.

Thank you for your faithful leadership! Pray for us. We are praying for you.
