

FIRST BAPTIST CHURCH

March 4, 2010

Dear Life Group Leaders,

This week's study focuses on one of the great events in the ministry of Jesus - the Transfiguration of Christ. This event had such an impact on Peter that he was still talking about it years later when he wrote 2 Peter 1:16-18. If you have any questions about the passage or the questions, don't hesitate to email me and I'll try to give you an answer. As a help for your study, we're sending you a copy of another message by Pastor John MacArthur - this time on Luke's account of the Transfiguration. I know you'll find it interesting.

In keeping with our theme of transformation, this week's coaching tip focuses on the opportunity to let your small group experience transform your life and thereby become an opportunity to transform the lives of others in your life group. Please take time to read it. You'll find it both encouraging and practical.

One more reminder before I sign off. Don't forget that it's never too soon to start praying for your family and friends, that the Holy Spirit will prepare their hearts and give you an open door to invite them to church with you this Easter season. We'll send you more information about our plans next week. But for now, start praying with your life group about the impact you can make on the people God has put in your lives.

Thanks for your faithful preparation and leadership! May God give you joy as you serve Him again this week.

In His Grace,

Pastor Gary
