

FIRST BAPTIST CHURCH

May 13, 2010

Dear Life Group Leaders,

Next Sunday, May 23, will be a special worship service with a missions focus. Radha Manikam, our missionary to Cambodia and the Cambodians in the Greater Seattle area, will be sharing his ministry with us that day. Pastor Marlon, one of the national directors and missionary pastors in Nicaragua, will also be joining us that day to receive the gift we raised to buy motorcycles for missionaries there. We may even have a chance to hear a short report from our Romania team who just returned last night.

Because of our guest speakers that day, there won't be any questions this week or other materials sent to you. We hope you'll take this as an opportunity to either catch up on any lessons you've missed or enjoy a time of fellowship and prayer with your small group.

Let us know if you need any help with future planning or finding resources for your life group. Thank you for another week of faithful ministry to our church family. We appreciate you!

Grateful for you,

Pastors Gary and Glen
