*Eph. 5:25: Husbands, love your wives, just as Christ loved the church and gave himself up for her <sup>26</sup>to make her holy, cleansing her by the washing with water through the word*

Statistical survey measuring the influence of a parent on their children regarding church attendance.

- If both father and mother attended church regularly then \_\_\_\_\_% of the kids became churchgoers. \_\_\_\_\_% of those kids were regular attendees.
- If the father attends irregularly then the number drops to \_\_\_\_\_% with only \_\_\_\_\_% of them being regular attendee's.
- If the father doesn't attend at all then only \_\_\_\_\_% of the kids attend.
