

# FIRST BAPTIST CHURCH

May 20, 2010

Dear Life Group Friends,

For the next two weeks, we will be taking a short break from the study of Luke's gospel. Our focus instead will be the topic, "How to Survive a Money Crunch." This first study is from Hebrews 13:5-6 and 1 Timothy 6:6-11 and is called "Contentment and Confidence in Crisis." I hope you find it both practical and encouraging. To help you prepare for it, we have downloaded a terrific message from Pastor John Piper on 1 Timothy 6:6-11. I know you'll enjoy it. In addition, our coaching tip this week is an article on how to use your small group as a place where people can challenge one another to live a simpler lifestyle, based on the example and teaching of the New Testament.

Please let us know if you have any questions about the study or if we can help you in any other way. We appreciate your ministry to God's people.

Grateful in Christ,

Pastors Gary and Glen
