

FIRST BAPTIST CHURCH

10.15.09

Dear Life Group Leaders,

Because we have two missionary guests (Lloyd Stanford from Belize and the Yorks from Tibet) next Sunday morning, October 25, we won't be providing our normal study questions in Luke this week. Our suggestion is to use your next life group meeting for a potluck and fellowship or, if you'd like to do a study in preparation for Mission Sunday, try the icebreaker and discussion questions I've attached to this note. Have a great study! We're praying for you –

Pastors Gary and Glen
