SURRENDERING THE CASTLE OF THE HEART

March Message Series Focus:
Kingdom Gospel of our Lord Jesus.

Pastor Jan Hettinga will be our
guest speaker for the next four Sundays.

Pastor Jan has been invited to share this set of
messages around the world and God has used it
in powerful ways to bring life and transformation.

Each week builds on the one before, so it will
be important to take in the whole month of this
exciting series. **Here's what you can expect.**

- You will be challenged to think deeply about the essential elements of the Gospel Jesus proclaimed.
- You will feel the Holy Spirit using the message of Jesus to invite you into more complete submission to his leadership in all categories of your life.
- You will find a wonderful closeness to your Savior as you step into fresh obedience and willingness to be available to His mission.

The Men's Warehouse has a famous tag line in their advertising:
"You're going to like the way you look!" That statement captures what happens to us when we give Jesus the throne of our inner castle. Under his fantastic management our lives change in all the right ways and we end up really liking the way we look because we look like Him. This theme of truth is coming at a critical time in the life of our FBC church family. God is sovereignly guiding us through dangerous waters and His word must be our compass.

Pastor Jan puts it this way: **There can never be progress in our walk with our Master without fresh surrender to His control.**

All growth is about His reign in our lives, our marriages, our families and our church. Let's pray for a fresh outpouring of the Spirit and His marvelous supernatural work of unity and healing in our church as we journey toward Easter.

Ron Sauer has been serving for over a year as a volunteer chaplain at the North Bend Truck Stop. The mission agency for whom he serves is **Transport for Christ**.

Ron leads chapel services, teaches, counsels truckers, and shares the love of Christ with them. When Ron's training is completed, he hopes to be appointed a career chaplain and move to North Bend where he will serve full-time. Meanwhile Ron is traveling back and forth to North Bend as often as he can afford to do so.
